

HARTLEY WOOD

Following a meeting with Southwark Borough Council, Hartley Parish Council has suspended its application to designate the area of woodland owned by the London Borough of Southwark as a village green, pending further discussions.

Southwark Borough Council has agreed to discontinue the fencing off of Hartley Wood but has installed a new gate off Hartley Bottom Road, next to the landfill site in order to try and stop fly tipping and other anti-social behaviour. A gap has been left to allow for pedestrian access.

The Parish Council will keep residents informed of any further developments, as and when they become known.
