# FREE BULKY WASTE DAY

# HARTLEY

Do you have any large, bulky items you no longer want cluttering up your house or garden? Is it difficult for you to transport large items to a local recycling centre?

West Kent is giving you a one-off chance to have your bulky waste taken away FOR FREE! Simply bring it along to one of the meeting points below and we'll take it from there.

Please **DO NOT** leave your items in the location prior to this day as we cannot take them if you are not present.

## Saturday 18 August 2018

Bulky items including furniture, carpet or underlay and household items.

**CANNOT TAKE:** large appliances like fridges, TVs or computers, metal, large amounts of garden waste or large panes of glass.

Time	Where
